All commands are used in Discord with the / prefix

START

Getting Started

Essential commands to begin your EvoPets journey. Set up your profile and adopt your first creature!

01 **/adopt** [expansion]

CORE

Adopt a new creature! Choose which expansion to adopt from. Uses coins and gives you a random creature with random rarity.

02 **/howtoplay**

GUIDE

Show an interactive How To Play menu with buttons. Perfect for new players learning the game.

03 **/help**

INFO

Show all EvoPets Online commands in a clean organized list.

04 **/profile**

INFO

Show your global summoner profile with level, creature count, coins, gems, and lifetime stats.

05 **/inventory**

INFO

Quick check of your wallet: coins, gems, and total creature count at a glance.

DAILY

Daily Activities

Commands you should use every day to maximize your progress. Consistency is key!

01 **/daily**

COINS

Claim your daily coin reward. Keep your streak going for bigger bonuses on consecutive days!

02 **/train** <name>

XP

Train a specific creature by name to gain XP. Higher level creatures deal more damage in battles and earn more.

03 **/feed** <name>

CARE

Feed a creature by name to reduce its hunger. Hungry creatures perform worse in expeditions.

04 **/mission**

QUEST

View today's daily mission objective. New missions reset every 24 hours.

05 **/claimmission**

REWARD

Claim your daily mission reward after completing the objective. Check /mission first!

EVOLVE

Creatures & Evolution

Manage your creature collection, evolve them into powerful forms, and send them on expeditions.

01 **/pets** [name]

VIEW

View all your creatures or search for a specific one by name. Shows ID, rarity, level, stage, and stats.

02 **/evolve** <name>

POWER

Spend gems to evolve a creature to the next stage. Requires the creature name. Shows a confirmation preview first.

03 **/expedition** <name> <zone>

IDLE

Send a creature on an idle expedition. Choose a zone: Forest (balanced), Mine (coins focus), or Sanctuary (XP & luck).

04 **/expeditionclaim** [name]

REWARD

End an expedition and claim rewards. Supports partial progress. Leave name blank to claim all active expeditions.

05 **/mypetsweb**

WEB

Get a personal web link to view your full EvoPets collection on the web dashboard with detailed cards.

Market & Trading

Buy, sell, and trade creatures on the global market. Prices respect minimum rarity thresholds.

01 **/market** [page]

BROWSE

Browse the global creature marketplace. Paginated listing showing all creatures for sale with prices and rarity.

02 **/sellpet** <pet_id> <currency> <price>

SELL

List a creature for sale using its public ID (from /pets). Choose coins or gems as currency. Must respect minimum price per rarity.

03 **/buypet** <listing_id>

BUY

Purchase a creature from the market using the listing ID shown in /market. Instant transfer with market fee applied.

04 **/tradepet** <target> <my_pet_id> <their_pet_id> <currency>

P2P

Trade creatures with another player. Both exchange a creature + pay a base trade fee. Rarity rules apply.

05 **/unlist** <listing_id>

MANAGE

Remove one of your listed creatures from the marketplace and return it to your collection.

06 **/shop**

SHOP

View the in-game shop with items you can buy using coins and gems. Special offers and boosts available.

RANK

Community & Admin

Compete on the global leaderboards and manage server verification.

01 **/leaderboard**

RANK

Show global EvoPets leaderboards: top coins, top gems, most creatures. Restricted to the leaderboard channel.

02 **/setupverification** [configure_permissions]

ADMIN

Post the verification panel in your server. Optionally configure channel permissions to lock channels behind a role gate.

Quick Reference

Your daily routine for maximum progress

1

Claim Daily `/daily`

Collect coins and maintain your streak for bonuses

2

Train Creatures `/train <name>`

Boost XP on your strongest creatures

3

Feed Creatures `/feed <name>`

Keep hunger low for better expedition results

4

Check Mission `/mission`

See what today's bonus objective is

5

Send Expeditions `/expedition <name> <zone>`

Forest, Mine, or Sanctuary — earn idle rewards

6

Claim Rewards `/claimmission + /expeditionclaim`

Collect everything you have earned today

Expedition Zones

- > **Forest** Balanced rewards — coins + XP
- > **Mine** Coins focused — best for earning money
- > **Sanctuary** XP & luck focused — better rare drops

Pro Tips

- > Keep your daily streak going for bigger coin bonuses each consecutive day.
- > Legendary creatures have only a 3% drop rate from `/adopt`.
- > Evolution costs gems — buy them in `/shop` or earn through missions.
- > Use `/sellpet` with coins or gems as currency. Minimum prices vary by rarity.
- > Trading (`/trade`) has rarity rules and trade fees — plan ahead.
- > Use `/mypetsweb` to get a web link and share your collection!
